

Ranch Road Area Water Main Project - Paving

This is to advise you that as part of our construction requirements from Culver City, the final resurfacing of grinding and paving of the project will be completed on your street.

**The paving has been scheduled
and will take place on
Wednesday October 18th and Thursday October 19th.**

Your patience and cooperation in observing all traffic controls will be sincerely appreciated and will help in expediting paving operation.

Please direct all inquiries or concerns to Golden State Water Company:
