Regarding an Agenda Item for Upcoming City Council Meeting

CULVER CITY COUNCIL MEETING
Monday, August 9, 2021, at 7 PM

AGENDA ITEM:
Regarding a trial redesign of the intersection of Overland/Ranch/Kelmore

The City of Culver City is proposing a trial redesign of the intersection of Overland-Ranch-Kelmore funded by a state Active Transportation Program (ATP) Quick-Build grant.

Purpose

The proposed temporary Quick Build re-design of the Overland/Ranch/Kelmore intersection is expected to enhance safety for all users of the intersection, while preserving existing parking, adding high-visibility crosswalks, and beautifying the gateway to/from the Culver Crest Neighborhood.

Background

In response to community concerns regarding operational and safety conditions, especially regarding pedestrian crossings at the Overland/Ranch/Kelmore intersection, the Public Works Department's Mobility and Traffic Engineering Division sought ATP Quick-Build grant funds to temporarily redesign the intersection and obtain community feedback. The City's application was approved for a grant award in the amount of \$157,000 to fund the temporary construction of the redesign concept.

Quick-Build projects seek to demonstrate temporary improvements that enhance multi-modal traffic safety and operations. The demonstration period gives the City the opportunity to obtain additional input from the community regarding the temporary redesign, which in turn will serve to improve the concept design and ensure that any final design and permanent construction will be the product of collaboration and consensus.

On January 14, 2021 and March 4, 2021, the Public Works Department held community meetings with area residents in order to listen to the community's concerns and receive feedback on early drafts of the project concept plans. Revisions to the plans were made in response to the community's input.

At the April 27, 2021 Mobility, Traffic & Parking Subcommittee meeting, the Public Works Department presented the final draft plans and a review of community outreach and response to the project. The Subcommittee subsequently recommended plan submission to the full City Council and recommended

subcommittee subsequently recommended plan submission to the full City Council and recommended Council approval.

On August 9, 2021, City Council will decide whether to approve the Quick Build re-design of the Overland/Ranch/Kelmore intersection.

INSTRUCTIONS FOR MEETING PARTICIPATION:

[To combat the spread of COVID-19, the City proclaimed a local emergency on March 14, 2020 and issued subsequent public orders beginning March 16, 2020.](#) In accordance with such orders, in-person meetings have been discontinued until further notice.

How to Submit a Written Public Comment Prior to a Meeting: Persons may submit comments BEFORE 4 PM on August 9, 2021. [Find the active eComment link to the right of the agenda date](#), then add your comment to the agenda item you choose. [Watch a video tutorial on How to make an eComment.](#) Mail your comments to the attention of the City Clerk's Office at 9770 Culver Blvd, Culver City, CA 90232, specifically identifying the meeting date.

How to Watch the Meeting: You can [watch the meeting online](#), on the [City's YouTube channel](#) or on the [City's cable Channel](#).

How to Attend the Meeting Remotely: All attendees must [Register to Attend on Webex](#), after which you will receive an email with directions and a link to join the meeting, once it has begun. [Watch a video tutorial on how to register on WebEx.](#)

NEW: For those who wish to speak during the meeting: When registering to attend the meeting, you may identify the agenda item(s) on which you wish to speak by indicating the section of the agenda followed by the number (for example A-1, PH-2, C-3). For those in attendance who do not request to speak when registering, you may send a request to speak via the CHAT function by stating your name and the agenda item number. At the start of each agenda item, staff will read aloud the names of those who have requested to speak on an agenda item. Requests to speak that are received after the start of the public comment period for that agenda item will not be considered.

If an internet connection is not available, or you think you may have other issues joining the meeting, please call 310.253.5851 in advance for assistance.
